S. W. Miles, of Meade, came down Thursday of last week and accompanied Co. Atty. Wright to Woodward.

A. M. Feltner is again located in his own building and this week received an invoice of goods from the road.

Last Saturday was a regular world's fair day for Beaver. The streets were crowded with people and trade was immense.

D. C. Davis, of Roy, was in attendance at the stockmen's meeting last Saturday, and while here did not forget to pay his respects to the HERALD force, also two dollars on subscription.

Emanus Eliason and daughter Miss Julia, from near Englewood were in town three days the latter part of last week. Miss Julia filed on land on the Cimarron west of Englewood.

Wilson M. Hammock, the genial Register of the U. S. Land Office at Woodward, attended the meeting of the cattlemen Saturday and while in town made us a very pleasant call.

A. N. Cramer is occupying his new store building since Monday. While it is not so large as the room he formerly occupied, yet he has his goods so neatly and conveniently arranged that he can wait upon his customers with the greatest of ease and alacrity.

R. B. Quinn, of the Hardesty Herald, called on us last Thursday on his return from Woodward, where he had been in attendance, as a witness, in land contest cases. He was accompanied on his trip by W. A. Salter, Frank Davis and Albert Raudebaugh, all of Hardesty, who were interested parties in the cases.

We acknowledge pleasant calls from T. J. McDermott, of the R. L. Hotel, at Liberal, and G. C. Brown the leading merchant of that place also a partner in the O. K. ranch of this county, both of whom attended the stockmen's meeting here last Saturday and remained over night taking in everything in the way of amusement.

MARRIED.—By Rev. Peterson at the residence of the bride's parents in Woodward, Sunday, April 14th at 10 o'clock a. m., Miss Edith Campbell to Chas. Moore, of Wakarusa, Oklahoma. The happy couple left on the 12 a. m. train the same date for their home in Wakarusa, where the groom is engaged in a general mercantile business. The news was kindly remembered and joins with many friends in wishing them happiness and prosperity.—Woodward News.

We have known the contracting parties for nearly seven years and have nothing but words of highest praise for them. The bride made Beaver her home for some three years having moved from here to Woodward last January, and she has a host of friends in this and adjoining counties, where she has so successfully taught a number of schools, who join with the HERALD in wishing them a happy and prosperous life.

Learn to laugh. A good laugh is better than medicine. Learn how to tell a story. A well told story is as welcome as a sunbeam in a sick room. Learn to keep your own troubles to yourself. The world is too busy to care for your ills and sorrows. Learn to stop croaking. If you cannot see good in the world, keep the bad to yourself, hide your aches and pains under a pleasant smile. No one cares to hear if you have the earache, headache or rheumatism. Don't cry. Tears do well enough in novels, but they are out of place in real life. Learn to meet your friends with a smile. The good-humored man or woman is always in demand, but the dyspeptic or hypochondriac is not wanted anywhere and is a nuisance as well.—Woodward News.

The convention of cattle men called by Land Inspector Poe and held at this place last Saturday, was well attended. The cattle interest from every part of the county was represented. R. E. Steele was chosen chairman and Wm. White secretary. The purpose of the meeting was to report to Mr. Poe the nature and extent of fences on Government land in this county, and to lay before him the necessity of such fences. None of the complainants against the fences appeared. The convention was unanimous for maintaining the fences, and adopted a strong set of resolutions to that effect. After the resolutions were adopted, Hon. W. M. Hammock of Woodward was called, and responded in a speech which brought down the house.

**SCRATCHED 3 YEARS**  
Suffered, Scratched, and Bled. Doctors No Relief. Cured by Two Sets Cuticura Remedies.

I wish to express my thanks for the benefit I have derived from using CUTICURA REMEDIES. Nothing like them was ever manufactured. For three years I suffered with a sore head. I would break out all over my head with pimples which would form a watery matter, and I would have to scratch until I would bleed. After doctoring with two doctors for three years, more or less, I finally made up my mind to try your CUTICURA REMEDIES with result entirely satisfactory to me. After using two sets of CUTICURA REMEDIES, I am entirely cured. I have recommended your remedies to several persons, and they all tell me they are No. 1. Our druggists are doing a nice business in CUTICURA REMEDIES, since my cure. I have given him the privilege of using my name as proof of their efficiency. I enclose my portrait.  
A. F. GLADWIN, Photographer, Mt. Hope, W. Va.

My wife has been troubled with the salt rheum for four years. During this time doctors of Wisconsin, Illinois, and the most eminent doctors of Chicago, failed to give her relief. I bought the CUTICURA REMEDIES, and she used only one box of CUTICURA, CUTICURA SOAP, and half a bottle of the CUTICURA REMEDIES, and she has cured my wife completely.

GREAT ROCK ISLAND ROUTE

TO THE EAST.

BEST DINING CAR SERVICE IN THE WORLD.  
The Rock Island is foremost in adopting any advantage calculated to improve speed and give that luxury, safety and comfort that popular patronage demands. Its equipment is thoroughly complete with vestibuled trains, magnificent dining cars, sleepers and chair coaches, all the most elegant, and of recently improved pattern.

Faithful and capable management and polite, honest service from employees are important items. They are a double duty—to the Company and to travelers—and it is sometimes a task difficult of accomplishment. Passengers on this line will find little cause for complaint on that ground.

REMEMBER  
The Great Rock Island Route runs all regular trains to Englewood, suburban station, close to World's Fair grounds, and you can save time and trouble by getting off at that point and avoid the crowd in the city.
